

**Inspiring and Expanding the Psychiatric Workforce in Texas:
Partnering with National Leaders in Community Psychiatry Training and Practice
Friday, February 3, 2017
8 am – 4 pm**

**Pickens Medical Education and Conference Center
UT Southwestern Medical Center, 6001 Forest Park Road, Dallas, TX**

This collaborative, creative, interactive event is a unique opportunity for leaders in psychiatry education and training from state and local systems all over Texas to engage in dialogue with national experts from the American Psychiatric Association and American Association of Community Psychiatry.

The goal: To network and share ideas for expanding the ability of the psychiatry workforce in Texas to meet the needs of Texans, particularly those who need help the most.

The outcome: Stimulate innovative approaches to inspiring psychiatric trainees in all settings and develop a set of recommendations for furthering community psychiatric education in Texas.

Introductory Speakers: Carol Tamminga, MD, Lou and Ellen McGinley Distinguished Chair in Psychiatric Research, University of Texas Southwestern Medical Center, Department of Psychiatry and Anita Everett, MD, President-Elect American Psychiatric Association; Medical Director, SAMHSA
